2007 Notables Nomination

Here's your chance to select a hero! Each year Neighborhoods USA (NUSA) recognizes the contributions of "special friends" by presenting the NUSA NOTABLE Awards. These honors are announced and presented at the annual NUSA Conference. A NUSA NOTABLE is sort of "unsung hero". Neighborhood leadership and involvement is NOT their primary function. But what they do truly matters and makes a significant and positive impact on neighborhoods and neighborhood people.

Who are eligible for a NUSA NOTABLE nomination?

People and businesses who support neighborhood projects by virtue of how they conduct their lives and businesses, for example-publishers, media personalities, TV stations, lawyers or bankers who show special attention to neighborhood concerns.

Who are NOT qualified for a NUSA NOTABLE nomination?

Individuals who are neighborhood leaders or who have an obvious and professional dedication to neighborhood issues.
