

Dear Municipal Leader:

Neighborhoods, USA (NUSA) would be honored to have you as a City / County Member and would like to express its appreciation for your support and commitment to neighborhoods. A City / County Membership would demonstrate that you recognize the value of establishing collaborative partnership with municipalities, and other organizations that advocate citizen participation in the governmental process. Your membership will further this effort by providing an opportunity for citizens, professionals, elected officials, and the private sector to come together to share experiences and knowledge for building stronger communities together.

I would also like to invite and encourage citizens from your community to attend the 36th Annual NUSA Conference on Neighborhood Concerns. This conference will be held in Anchorage, Alaska during May 25-28, 2011. Citizens from your community will have an opportunity to meet and interact with other citizens from across the United States to develop solutions to unique concerns that impact cities around the world. The conference registration booklet will be mailed to all City / County members and will be available on the NUSA website in early 2011.

A City / County Membership of \$100.00 per year entitles you to a certificate representing your municipality as a member of NUSA along with five NUSA pins and five newsletters. Five newsletters will be sent each time the newsletter is published.
